Smuggling of Synthetic Textiles

2466. SHRI CHIMANBHAI MEHTA: Will the Minister of TEXTILES be pleased to state:

(a) whether Government are aware that large scale smuggling of synthetic textiles has adversely affected the power-loom and mill sectors of the textile industry;

(b) what were the wholesale prices of smuggled Boski 45 variety, suiting 54 and sarees and the prices of comparable Indian varieties; and

(c) whether his Ministry has recommended to the Ministry of Finance to reconsider its excise policy in regard to PFY and other raw materials used in the production of synthetic textiles, and if so, what is the response thereto?

THE DEPUTY MINISTER IN THE MINISTRY OF TEXTILES (SHRI S. KRISHNA KUMAR): (a) While Government are aware that there is some smuggling of synthetic textiles, it is not possible to give precise figures of the quantum of prices of smuggled goods.

(b) The price, of Indian varieties of cloth are given in the statement attached. (*See* below)

(c) The Textile Policy in June, 1985, states that fiscal levies on man-made fibres/yarn and on intermediates used as inputs for the production of such fibres/yarn shall be progressively reduced in such a manner as to facilitate absorption of increased domestic production, so that the benefit flows to the consumer in the form of lower prices of synthetic and blended fabrics. However, details of specific proposals regarding changes in excise duties sent to the Finance Ministry are not disclosed before a final decision is taken thereon.
